Welcome to Kingston's Camp's Adventure Program! All trips are lead by our adventure team who are enrolled or graduating from outdoor education college, DEM Certified Lifeguards and are over 21 years of age. As with all of our staff they have completed background checks and have professionally proven their ability to run this program. The goal of this program is to provide young adults opportunities to expand their horizons and learn how to take risks as well as remain safe. We want the adventurers to gravitate towards risks that promote growth and good judgment.

All adventurers must be at least 12 years of age or going into the 7<sup>th</sup> grade. This is a **full week program**. Adventurers must attend 3 days of training for each trip. Trips will be on Fridays unless otherwise noted. Any special gear requested will be items you normally have such as sneakers and bathing suits. During training days adventurers will also participate in a leadership program, spend some of their time with the other campers, and work with the younger children. We will still maintain our philosophy that it is summertime and the training will be at a relaxed fun pace!!
