7:30 - 9:00

**Morning
Program
(extended hours)**

Campers participate in structured and unstructured games and crafts during this time. Favorite activities include playing card games, kickball, climbing our climbing tree, hula hooping, drawing, and coloring.

8:45 - 9:00

Drop Off

Main Program Begins

Main Program Drop off begins at 8:45. For more information about this process please refer to the *Drop Off/Pick Up Procedures* document. Children will be checked in by a staff member, put away their belongings, and be informed of what group they will be in for structured activities such as swim lessons. Campers in our Gopher Program will help out with daily setup for the waterfront, and camp potable water.

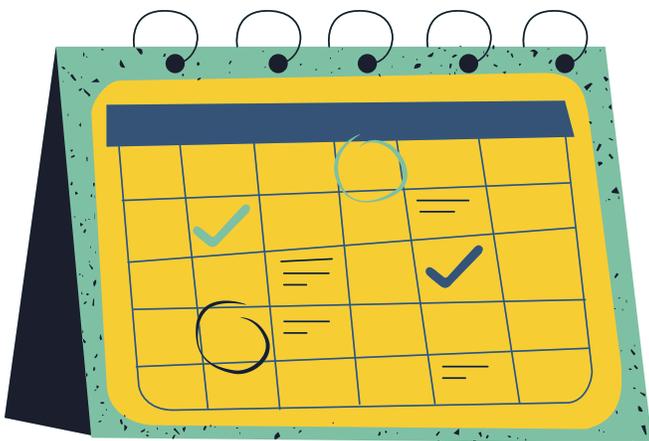

8:45 - 9:00

Circle Time

Group Game & Morning Snack

All campers and staff will participate in a morning circle time. We will review the daily schedule, announcements, and get to know each other during this time. After our check in we play a group game, and have a morning snack before starting out the day.

9:45 - 12:00
Morning Rotation

Elementary Campers:

Campers will be split into age groups to rotate between morning activities. Standard offerings are a daily swimming or boating lesson, arts and craft activities, field games, and archery.

Gopher Program:

In addition to the standard activities offered to the campers, Gophers will help foster community by completing teamwork activities, acting as a positive peer model for other campers, and helping with camp projects.

For more specifics about our Activities see our *Activities at KC* document.

12:00 - 12:30 **Lunch**

All Campers eat lunch together in the lunch area. They wash their hand with soap and water prior to eating. Campers are unstructured around mealtime manners, positive social interactions, and educated about recycling/compost practices

12:30 - 1:15 **After Lunch Downtime**

After lunch campers have some down time options prior to Free Swim. Typical activities include a large group game like capture the flag or Gaga ball, or quiet activities such as making friendship bracelets, watering the garden, and riding the tire swing.

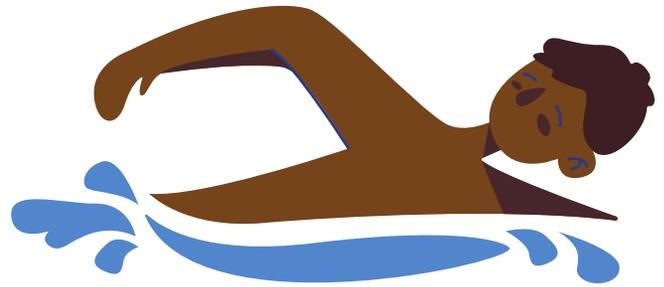

1:00 - 2:50 **Free Swim**

We love to swim at Kingston's Camp! Our afternoon Free Swim is a fan favorite.

Campers have the opportunity to swim, boat, try to balance on our rolling log, and make sand creations during this time.

2:50 - 3:15

Main Program Pickup

Campers not signed up for our afternoon extended hours will be transitioned from the waterfront and get ready for pickup.

3:00 - 5:30 **Afternoon Program** **(extended hours)**

Campers signed up for extended hours will have an extended Free Swim opportunity. After swim, campers will eat their afternoon snack, have the opportunity to socialize, and engage in unstructured and structured play opportunities.

Be sure to pack extra snacks if your child is signed up for our afternoon program because they are always hungry by the end of the day!
